2010 WACE PERFORMANCE

It is a notable feature of the class of 2010 that high achievement was the rule rather than the exception. Seven students achieved an ATAR of 97.5 or better, placing them in the top 2.5% of the state and gaining entry into the Academic Honour Guild (formerly the 400 club). However, it is worthy to note that 30 students achieved an ATAR of 90 or better (26.3%).

Staff and students were committed to academic excellence, coupled with consistency, and embraced this ethos of achievement. The impressive results that are to follow are not the culmination of just one short year's work. Each and every teacher, over time, has had a hand in this achievement; each boy has obviously worked hard in his assignments, study and revision and we commend both staff and students for their joint efforts.

Our congratulations go to 2010 Dux, Duke Cole, who was placed 9th in the state with an ATAR of 99.9 achieving a General Exhibition. Duke also achieved within the top 0.5% of the state in Chemistry, Economics and Physics, obtaining a Certificate of Distinction in each subject. Similarly achieving Certificates of Distinction were Russell Fraser (English), Timothy Mettam (Human Biological Science) and James Tarrant (Physics).

No doubt the class of 2010 was an academically capable year group, with the Academic Honour Society inducting 16 members, however the final cohort statistics are equally impressive:

- 30 students (26.32%) achieved an ATAR of 90 plus
- A further 27 students (23.68%) achieved an ATAR of between 85 and 89.95
- The School median ATAR was 81.12, against a State median of 78.24
- The School median ATAR of University applicants (4 or more WACE examinations) was 85.9 against a state average of 80.3

It is certainly notable that 57 out of 114 students, or exactly 50% of Guildford Grammar School students who sat four or more examinations, were placed in the top 15% of the state using the ATAR as the measure.

Boys who scored an ATAR above 99
Duke Cole
James Tarrant
Samuel Widenbar

Boys who scored above 97.5
Guy Armstrong
Dominic Cockman
Edward Souti
Angelo Souti

Boys who scored above 90
Timothy Mettam
Brandon Zubek
Harrison Pilkington
Connor Beardsmore
John Newman
Don Kuai
Conor McErlean
David Armstrong
David Morris
Luke Matthews
Nicholas McRoberts
Chad Abbot
Matthew Bell
Russell Fraser
Alexander Ravine
Thomas Webster
Bruce Shaw

Tom Copley
Michael Munroe
Justin Purslowe
Stewart Palmer
Lachlan Dunlop
Tobias Nuttall

Certificates of Excellence
18 or more A grades over the course of combined Year 11/12 studies.
Guy Armstrong
Dominic Cockman
Duke Cole
Timothy Mettam
John Newman
Tobias Nuttall
Angelo Souti
Edward Souti
James Tarrant
Samuel Widenbar
Brandon Zubek

Number of students with an ATAR of 75 or above
79 students (out of 114) – 69%

Highest Performing WACE Courses
Courses in which Guildford Grammar School was listed as having the highest performing students:
Accounting and Finance
Applied Information Technology
Biological Science
Computer Science
Design
Drama
Engineering Studies
Geography
Materials Design and Technology
Media Production and Analysis
Physics
11 Courses out of a possible 25 courses offered with 10 or more students

Secondary Graduation
100% Graduation

University Entrance
91% offered a place at UWA, Curtin, Murdoch or ECU in first round University offers
