REFUGEE SCHOLARSHIP APPLICATION INFORMATION

The purpose of Guildford Grammar School is “Inspiring students to achieve personal excellence and to be outstanding citizens who work to create a just, peaceful and loving society”.

The School has a proud history of providing educational opportunities for a broad range of students who would not normally have the means to attend the School, which is directly linked to our purpose, our Anglican ethos and egalitarian outlook. This includes a comprehensive Indigenous Scholarship program with approximately 30 students currently enrolled.

The School Council has endorsed with enthusiasm the formation of a Refugee Scholarship program that will enable students to enrol at the School from Year 7 and experience the full range of opportunities that a Guildford Grammar School education can provide.

Initially the plan is to award one Refugee Scholarship annually, which will ultimately lead to up to six students being on a scholarship in the Senior School at one point in time (potentially one at each of Years 7-12).

The Scholarship will provide the following support:

- 100% of the tuition costs for a day student
- The cost of any School camps
- The cost of School uniforms (formal and sport)
- The cost of School books
- Tuition support in English
- Counselling support if appropriate
- No application cost is applicable for this application

Applications are invited from students who demonstrate strong academic potential, who would benefit from the comprehensive co-curricular program that the School provides and be keen contributors. Preference at this stage is for the Scholarship to be offered to a boy entering Year 7; however, applicants at other Senior School year levels will be considered.

To submit an application please fill in the application form and submit a brief A4 sized portfolio containing documents as outlined below. The purpose of the portfolio is to give the School an understanding of the candidate, including his academic and co-curricular achievements, interests and goals.

- Print and complete the Guildford Grammar School Application Form and place at the beginning of the portfolio (please note that no application fee is required with the application).
- Include a copy of the candidate’s two (2) most recent school reports if available.
- Include past NAPLAN results where available.
- Include a testimonial, written by the candidate, explaining why he would like to be considered for the Scholarship and how he believes attending Guildford Grammar School would impact his future and his family.
- Include a personal reference describing the candidate’s character, general attitude, and interests from someone who knows him well (not a family member). This may be a family friend, teacher, coach, priest or similar.
- Include any other relevant documentation regarding educational or co-curricular activities.
- Include a copy of Visa documentation.
- Include a copy of the candidate’s birth certificate (where available).

Submit your portfolio to the attention of:
