WINE SALE!

Guildford Grammar School Community Service Fundraiser. In April 2008 fifteen boys and three staff will be heading to Nepal to trek in the foothills of the Himalaya and to visit remote schools on their journey. As part of the trek students have to fundraise for a cause in Nepal and have decided to take on two projects. Nepal is one of the poorest countries in the world and our students, on behalf of the Guildford Grammar School community would like to support: the Tashi Palkhiel organisation, who work with volunteer doctors and dentists in Tibetan and Nepali communities; and secondly to provide resources to remote schools. These resources will take the form of stationery items, educational aids and sporting equipment. If you are interested in supporting our students in their efforts, you may like to purchase some fine Western Australian wine.
