

ENROLMENT POLICY

Rationale

The School has a fixed capacity in terms of our student roll and it is important for educational and organisational reasons that where possible each cohort is of a similar size. This may require the School to limit enrolments. The selection of students for each year's intake will reflect Guildford Grammar School's philosophy, traditions and curriculum.

Selection Criteria in Rank Order

Applications will be processed on the basis of the date of the application with priority going to:

1. Brothers and sisters of current students.
2. Brothers and sisters of past students.
3. Sons and daughters of Old Guildfordians.
4. Applications from all other families will be processed on the basis of the date of the application.

General Principles

1. Guildford Grammar School complies with Australian discrimination law.
2. In all cases the Headmaster or his delegate will interview each applicant and the applicant's family and a place will be offered only after that process is complete.
3. Guildford Grammar School follows the protocols of the Privacy Act in contact with all current and prospective families.
4. Applicants who have demonstrated behavioural problems that in the School's view could not be adequately catered for may not be offered a place. Some applicants may miss out on first round interviews due to demand for places exceeding places available.
5. Current Guildford families need to enrol their next child by 1st February three years preceding uptake of the position to avoid compromising the availability of a placement.
6. International students will be offered places at the discretion of the Headmaster, in accordance with the Council approved guidelines.
7. All applications, particularly for boarding, should be lodged at birth or shortly thereafter to avoid compromising the availability of places.

Signatures of both, parents or guardians must be recorded at application. In the case of a split family, full disclosure of parental contact details is preferable.
- Non-disclosure of information relevant to an applicant in relation to a student's individual needs, medical conditions, health care requirements and or Court Orders can result in an applicant being refused or an offer being terminated on these grounds. Copies of a student's birth certificate, educational history and a record of learning is required prior to an interview being scheduled.
- A meeting of the parents and the child is arranged with the Headmaster up to two years in advance. Attendance of both parents is preferable.
