

# 2017

Guildford Grammar School

annual report

Guildford Grammar School is a prestigious Anglican School established in 1896. The School is magnificently situated on almost 100 hectares along the banks of the Swan River, and houses one of the most beautiful and historical chapels in WA; the Chapel of St Mary and St George. The School has a long-standing reputation for providing a broad-based education for young people and is known for its high academic standards, sporting and cultural opportunities and traditional values. Guildford Grammar School will commence the transition to a fully co-educational school from 2018. At the end of 2017 the school had K-6 (415 students) and boys' only from Years 7-12 ( 676 students). There are boarding facilities for 148 boys from Years 7-12.

Guildford Grammar School is leading the way in 21st Century education, through the introduction of its unique Catalyst curriculum, developed especially for students in Years 7-9. Catalyst allows students to participate in a three-year program of electives and projects designed to build on skills that will enable them to contribute to our changing world. Numeracy and literacy are the foundations of the Catalyst BIG skills, with a strong focus on critical thinking, problem solving, teamwork, collaboration and research; skills all highly sought after by 21st Century employers. An innovative new teaching facility has been built to accommodate the flexible learning style of the program.

We offer a wide range of sporting and co-curricular programs, competing in the PSA sporting competition in Rugby, Soccer, Hockey, Cricket, Swimming, Water Polo, Tennis, Volleyball, Cross Country and Rowing. Co-curricular programs include Music, Drama, Chess, Debating, Cadets, Philosothon, Tournament of Minds, Human Powered Vehicle Challenge, Public Speaking, World Scholar's Cup, DaVinci Decathlon, OptiMinds and Golf. Throughout the year, students have opportunities to participate in a number of local expeditions and international study tours. Recently groups travelled on a history tour to France and a tour to Canberra.

Guildford Grammar School has an open enrolment policy. There is a strong and effective pastoral care structure, through a house system, year group mentors, peer support leaders and the School's Chaplains. The School has a wonderful sense of community with many opportunities for our students, families and staff to participate in the broader life of the School.

Our collaborative team of expert staff are well supported with opportunities for professional development and they actively engage in the continual improvement of our School. We are all dedicated to achieve the School Purpose to inspire students to achieve personal excellence and to be outstanding citizens who work to create a just, loving and peaceful society.

## Headmaster's Report

There is something very special about working in a School, the energy and dynamic of the students, the possibility of what they will achieve in the years ahead, their openness and optimism, the joy expressed in the activities shared, the emotion expressed at our Year 12 Valedictory Chapel service as we farewell the students with confidence and faith that they will make their mark.

Deep in the roots of the vocation of education lies the hope that we can support the next generation of our children to know who they are, know what their strengths are, to know what values drive them and to go beyond our gates to make a positive difference in the world.

The constant 24-hour negative media cycle can certainly lead to despair, fear, confusion and individualism as we are reminded of the atrocities that people commit across our globe. Our School Purpose calls our community to turn away from this fear, to do the opposite and value justice, peace and love. This message starts for our students from Day 1 in Kindergarten and must be role modelled throughout. It must be strong and explicit- evident in how we interact, in what we value, in the confidence we inspire, in the belief we have that each individual is valued and can make a difference.

When the Prefect group independently chose 'Valuing Diversity' as the theme for their leadership focus in 2017 it was a statement of 'hope' calling the student body to strive for greater inclusion, openness and awareness of the broad diversity of talents and gifts of the students in the School.

The Preparatory School themes of 'Growth' and 'Kindness' have strongly called all the students to reflect on their interactions with others and to value all in the community.

The extension of co-education into the Senior School from the start of 2018

will for the first time enable all our students to complete their education at the School. With each individual being able to experience all that the School has to offer and all benefiting from the increased diversity of the student body.

The change is purpose driven, it is one inspired by hope, it is future focused and looks ahead with confidence to the School community being enriched by the dynamic of all our students, male and female, naturally learning and growing together.

The words of Carey Baptist Grammar School (VIC) Headmaster Gerard Cramer in 1977 still ring true today: "The point I wish to emphasise is that the change to co-education is designed to make the school a better place for both girls and boys. There has been a regrettable male chauvinistic tendency for some people to say that co-education is a good thing because it is so good for the boys (civilising them, giving them gentler habits) as if the effect on the girls is of minor importance. This is, of course, an indefensible attitude. At Carey, girls and boys will be treated equally; indeed, this in itself is one of the main objects of co-education."

As our girls and boys move to having the opportunity to complete their schooling together they will do so in an environment that reflects the

real world, in which women and men collaborate, lead and succeed as equals. Our desire is for all of our students to be free of the perception that gender is a determinant of ability.

Our World Scholars Cup teams once again performed at an exceptional level in the Australian competition, in Athens and at the Tournament of Champions at Yale University, with the team comprising Emerson Varris, Ashton Reid and Zachary Matthews finishing in 2nd place in the World in the senior category, an exceptional result.

The number of students achieving High Distinctions in the Australian Mathematics Competition and National Chemistry competitions significantly increased, with Jonathan Rose achieving in the top 1% in both.

The Boodjar Bidi dance group and the String Ensemble performed the piece Kolbang Djin Djin alongside WASO musicians, in front of the Prime Minister and other very distinguished guests from Australia and Germany, at the Asia Pacific Regional Conference Gala Dinner.

At our Remembrance Day Requiem Eucharist, we were privileged to have a choral setting specially written for the Service by Mr Gething, and then sung by the School's Chapel Choir consisting of students from both the Senior School and Preparatory School, male and female, and a number who will be coming to our school next year.

Harry Weston was awarded the Top Scholarship Prize valued at \$90,000 at the Bond University Film and Television Awards evening as well as the awards for Best Director and Best Sound,

Tjiirdm McGuire was chosen to play a lead role in the mini-series 'Grace Beside Me' which will be aired on SBS next year, and Ryan Buckridge has been offered a role in the WA Opera production La Boheme, playing in February 2018.

The Symphony on Swan concert held in the majestic setting at the front of Woodbridge was a most memorable evening. G-Jazz, G-Funk and the Rock Symphony Orchestra performed with professional musicians Courtney Murphy and Kirste Oates in front of over 700 people.

In a memorable performance the 1st VIII Rowing crew won the Head of the River for the first time in 24 years and the PSA Golf Team won the PC Anderson trophy for the fourth time since 2011.

Rourke Turton won a silver medal representing Australia as part of the Oceania Youth Team at the Commonwealth & Oceania Weightlifting Championships,

Harrison Hobson was selected in the Australian Men's Gridiron team and Dylan Bennetts competed at the World BMX championships,

Hamish Warden was once again selected in the Australian Schoolboys' Basketball team and has been awarded a full athletic scholarship to Notre Dame College in the USA,

Connor Disselkoen was awarded Young Entrepreneur of the Year at the Kalamunda Chamber of Commerce Awards.

Toby Digney was selected for the prestigious Fogarty Scholarship to attend UWA and Blake Weller was offered WAYJO and WAAPA scholarships.

These achievements don't just happen and I pay credit to our incredibly dedicated and professional team of staff who work with passion and commitment. I thank all of you for creating such a positive and dynamic School culture and in particular this year, for embracing change with optimism and enthusiasm.

We also farewelled our Bursar Mr Kent Peters who has been appointed as the Director of Business at Canberra Grammar School. Kent has given his heart and soul into serving the School and his personal support and encouragement has been unwavering.

Our School Council ensures that Fellows have a diverse range of backgrounds and experience which significantly adds to the quality of governance in the School. We are blessed to have such an outstanding group of people serve the School, in this essential role.

During this period of change the School has received incredible support from the Parents' and Friends' Society,

Old Guildfordians Association and Foundation and I thank all members of these groups for their passion and commitment to our community.

The 2017 Prefect group led the School with distinction and I thank Captain of School Dane Begovich, Vice-Captain of School Lawson Pensini and Captain of Boarding Reuben Williams for their fine example and dedicated service. You leave the School in good spirit and good heart.

As I reflect on the year and our shared experiences I am full of hope for what lies ahead. We are part of a school community that genuinely cares about our Anglican Ethos and our collective purpose, we look to a future that embraces our diversity and the strength that will flow, we are inspired by the new possibilities, not afraid of the challenges and at all times ever mindful of our shared responsibility to 'Go Forward' confidently.

Mr Stephen Webber  
HEADMASTER

## School performance indicators

### Workforce distribution

Guildford Grammar School has one staff member that identifies as being Aboriginal/Torres Strait Islander.

Workplace profile and distribution by gender

High academic achievement is a feature of our results, with 22 students (27% of those sitting four or more ATAR examinations) achieving an ATAR above 90, ranking their results in the top 10% nationally. Six of these students achieved an ATAR of 97.5 or more, placing them in the top 2.5% Australia-wide. These students have the honour of entering Guildford Grammar School's Academic Honour Guild (previously known as the 400 club).

A snapshot of the Class of 2017 reveals:

- 78 % of all Guildford Grammar School Year 12 students achieved an ATAR
- 27 % of ATAR students achieved an ATAR above 90
- A further 24 % of students achieved an ATAR of between 80 and 89.95
- The median ATAR of students applying for University was 83.3 It is very pleasing to note that 56 students out of 84 (67% of Guildford Grammar School students who sat four or more examinations), were placed in the top 20% nationally using the ATAR as the measure.

University Entrance

88% of Guildford Grammar School ATAR students who applied were offered a place at the University of Western Australia, Curtin, Murdoch or Edith Cowan in first round University offers.

## Attendance

### Non – Attendance

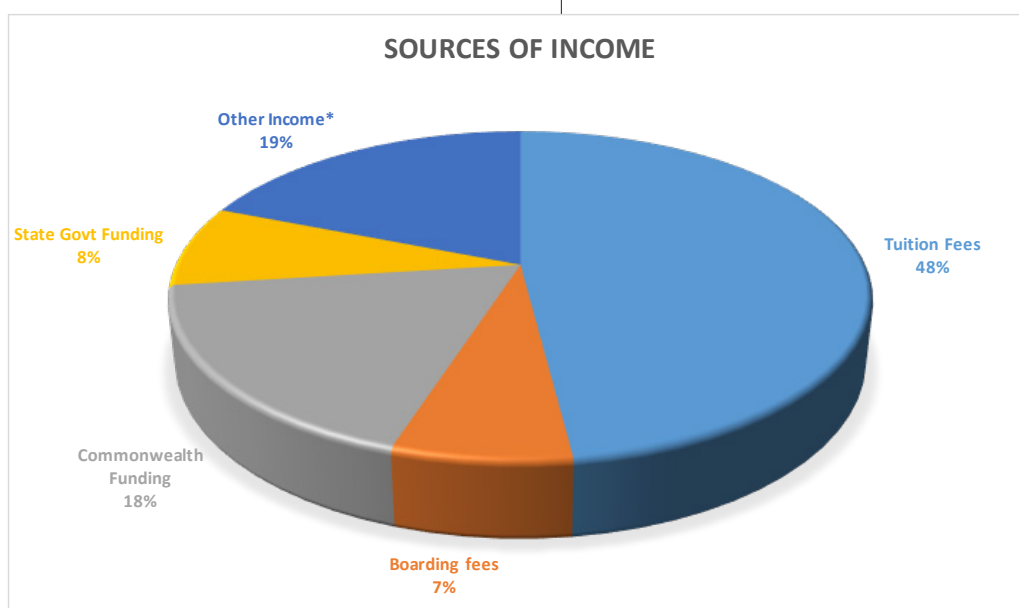

The School has a non-attendance management system for daily absentees. Following a student being recorded as absent from a class without an explanation the School Marshal will then contact the parent (or guardian) via telephone and email. Senior Administration would also be involved in the process if a student is away for a medium to long term period

Attendance Rates 2016

Year 10	94.14
Year 11	92.96
Year 12	93.61

## Parent, student and teacher satisfaction

Communication between the School (teachers and administration), parents and students is ongoing. The pastoral care staff and academic leaders within the School are in constant contact with parents and vice versa regarding issues that may arise, are likely to arise or have arisen. Issues of dissatisfaction are raised in these or other forms of communication that take place on a daily basis. Informal surveys are undertaken by teaching staff on a regular basis, exit surveys and interviews form part of the feedback mechanisms for the School. The Parents and Friends' Association is another vehicle for feedback.
