2022 Annual Giving Appeal

The focus of this year's Annual Giving Appeal is to benefit our Scholarship programs – the Go Forward Scholarship and the Indigenous Scholarship. Supporting talented and engaged students to study at Guildford Grammar School serves our wider community, ensuring students fulfil their potential and ultimately enhance society.

At Guildford Grammar School, we have been providing students with extraordinary opportunities for 126 years. In 2021, we awarded over 30 Go Forward and Indigenous Scholarships. The funding came primarily from the School, with contributions from the Foundation and support obtained through partnerships with the MADALAH Foundation and NewGen Power.

We believe scholarships provide students with opportunities to seek fulfilling futures and promote diversity in our school community.

Our comprehensive Scholarship program provides financial assistance to many gifted and talented high school aged students who may not otherwise be able to attend the School. The program attracts a high calibre of candidates each year, who seek extraordinary opportunities, pathways to personal excellence and a stimulating learning environment.

Through this year's Annual Giving Appeal, and with your support, we look forward to growing our Scholarships programs.

“It's wonderful that people help us and give us opportunities that we would not be able to have otherwise.”

– Kate, Year 10, Scholarship recipient

Message from the Principal

Supporting talented students to attend Guildford Grammar School helps to enrich our warm community and creates a more stimulating environment for all.

Diversity in strengths, passions and experiences is what makes our inclusive community who we are. We are committed to extending the benefits of a Guildford Grammar School education, inspiring students to go forward and define their own success.

We believe that an outstanding education should be available to those who want to fulfil their potential.

Your generosity ensures our Go Forward and Indigenous Scholarship program continues to maintain and build on its success. We greatly appreciate your support, now and into the future.

Mr Brad Evans
Acting Principal

“I have been at the School since 2017 and love all the opportunities available to me. As a student who is on a scholarship, I am grateful because I would otherwise not be here.”

– Beau, Year 12, Scholarship recipient
