About the Web Portal

Overview of Web Functionality

The Web Portal is available on desktop PC as well as smart devices or any device that has an internet browser. PLEASE NOTE: there may be minor resolution issues when accessing the Web Portal on a smart device, such as mobile phone, an iPad or tablet. The Web Portal provides full access to all Swype functions, excluding Bus Tracking. The Web Portal includes permissions-based access for Parents, School Staff and School Administrators. This manual will focus on Parent functionality. Functionality between the Web Portal and Parent App differs slightly. The below table outlines these differences.

Access to the Web Portal

Accessing the website

To access our Web Portal please click on the following URL or copy & paste (ctrl+v) into your web browser – <u>https://swype.cloud</u>.

Access to our Web Portal may be available via your School's parent portal. Please contact the School's administration for more information.

Create a new parent account

Before you can access the Web Portal, you must first create an account. Some schools automatically create an account for Parents using Single Sign On (SSO), and your existing credentials for their parent portal. Please contact your child's School to confirm if you are required to create an account.

To create a new parent account, you must:

- 1. Click on Create Parent Account at the bottom of the Login screen
- 2. Enter your first & last name, a valid email address and contact number (it must be 10 digits)
- 3. Carefully read through & accept the Terms & Conditions
- 4. Complete the reCAPTCHA process
- 5. Click Save

Once you've completed the above process, you'll receive an email to finalise your account setup. Once you receive this email, you must:

- 6. Click the Set Password link in the Swype Account Creation email
- 7. Enter your password in the New Password field
- 8. Enter the same password in the Confirm Password field
- 9. Click Save
- 10. Click Return to Login on the pop up you receive

	Automated Notification
	Hello James Turner, Welcome to Swype! This email is to confirm that your account has been created.
Your Swype account has been created!	Your username is: james.tumer@blueskycolab.com.au Please click the following link to set your account password and login: <u>Set Password</u>
An email containing a link to set your account password has been sent to jibba_11@hotmail.com.	Kind regards Swype Team
Return to login	Please contact your school administration if you have any queries.

PLEASE NOTE: the automated email to finalise your account creation may go to your junk mailbox. Be sure to check this after completing steps 1 to 5 above.

Logging In

There are two (2) options to login to the Web Portal. If you had to create your own account, use Option 1. If your account was created via Single Sign On, use Option 2.

Option 1 - Logging in Via Swype Credentials

- 1. Go to https://swype.cloud
- 2. Enter the email address you used to create your account in the Username field
- 3. Enter your password in the Password field
- 4. Tap Login
- 5. Upon first login, you will be required to accept Swype's Terms and Conditions and any Terms and Conditions your child's school has set for use of the system and associated services.

Option 2 - Logging in Via Single Sign On (SSO)

- 1. Visit the URL <u>https://swype.cloud</u>
- 2. Select your child's School from the drop-down list underneath **Or login by SSO**
- 3. Tap SSO Login
- 4. Login using your credentials for your child's school parent portal or online services
- 5. Your login will be authenticated and you'll be redirected to the Swype App
- 6. Upon first login, you will be required to accept Swype's Terms and Conditions and any Terms and Conditions your child's school has set for use of the system and associated services.

Reset Password

If you have forgotten your password, please follow the process for <u>Logging In</u>, but instead of submitting your username and password, tap the Forgot Parent Password link.
