1	Sleeping Bag	
1	Pillow	
1	Camera- optional (not phone)	
1	Head torch (with batteries)	
1	Book to read	
2	Garbage bags for wet gear	

### **Additional Tips for an enjoyable experience:**

Students will be sleeping in cabins whilst on camp. Given the time of year, the weather may be warm during the day. This will need to be considered when organising equipment.

**Packing** - Pack all gear into one large bag – please no giant suitcases. Make sure that all items are clearly labelled with student name.

**Clothing** - No singlets for daywear. Lightweight cotton or similar t-shirts are preferred. If the weather turns cool, consider the layer principle – t-shirt with long sleeved shirt over the top with jumper or jacket over that. Raincoat needs to be rain and windproof and should have a hood.

**Canoeing** - The students will be doing canoeing. They will need boardies/rashie and old shoes or reef shoes for this activity. Please note - their clothes will come home dirty - please don't pack whites or the "Sunday best". It would be a good idea to have a garbage bag to place wet gear into for the trip back to school.

**Food/Cooking** - Other than morning tea on Tuesday, all food will be provided. Please do not bring lollies/chips. The caterers at Boshack Outback are very experienced with allergies and special diets and they go to a lot of trouble to make sure everyone gets a good, healthy meal.
