Additional Tips for an enjoyable experience:

Students will be sleeping in dorms whilst on program. Given the time of year, the weather may be cold and wet. This will need to be considered when organising equipment. A quality raincoat is essential.

Packing - Pack all gear into one large bag, roller sports bags are acceptable– please no giant suitcases. Make sure that all items are clearly labelled with student name.

Clothing - No singlets for daywear. Lightweight cotton or similar t-shirts are preferred. If the weather turns cool, consider the layer principle – t-shirt with long sleeved shirt over the top with jumper or jacket over that. Raincoat needs to be rain and windproof and should have a hood.

Food/Cooking - Other than morning tea on Monday, all food will be provided. Please do not bring lollies/chips. The caterers at Forest Edge are very experienced with allergies and special diets and they go to a lot of trouble to make sure everyone gets a good, healthy meal, there is more than enough food.
